FOR IMMEDIATE RELEASE

**SOME LUCKY BIDDER TO WIN LUNCH WITH MATT DAMON.
cMarket online auction features Hollywood package to benefit Seven Hills.**

CAMBRIDGE, Mass—(4/5/06)--The veritable star power of hometown hero Matt Damon combined with the worldwide exposure of Cambridge-based cMarket, the leading provider of online auctions for non-profit causes, could translate to big bucks for the golf tournament named in honor of Matt's friend, Jake Scileppi.

For the first time, "The Jake," an annual charity golf tournament to benefit Seven Hills Foundation of Worcester, Mass will bolster its fundraising by running an online auction on cMarket.com, beginning today through April 21. The featured auction item is a chance to meet with Seven Hills Foundation supporter, Matt Damon. In fact, it's more than just a meeting. The winning bidder and a guest will steal away to Hollywood for two nights to do lunch with Damon on the set of his new movie *Ocean's 13*. Plus they will be supporting a great local cause.

The Jake Golf Tournament was established in 1981 by John Scileppi of Newton, Mass. now vice president of national philanthropy at Seven Hills. The event is named for Scileppi's son, Jake, 27, living with cerebral palsy at a managed care facility in Andover, Mass. which is owned and operated by Seven Hills Foundation. This year, "The Jake" will be held at the Andover Country Club on Monday, April 24. Proceeds from the online auction and the golf tournament are earmarked for Seven Hills at Groton, a skilled nursing community for children and young adults who have severe developmental handicaps and complex medical needs.

"The online auction adds a new dimension to what has become a highly anticipated charity event," said the elder Scileppi. "We're excited by the prospect of reaching new audiences, raising funds, and building awareness for Seven Hills and the critical and

compassionate services it provides to people with all levels of physical, developmental or emotional challenges.”

Damon, a longtime family friend of the Scileppis, has been a big supporter of Seven Hills. In fact in recent years he has donated a van to transport residents of Jake’s house and has played in the tournament. Because his schedule prevented him from attending the tournament this year, he has offered to host lunch with him on the movie set. The two day package includes airfare and hotel accommodations for two.

“We are indebted to Matt for his relentless support of The Jake and Seven Hills,” said Scileppi.
